empowering your future

KOPKARLA

At a glance

Founded in 2008 by PT Aplikanusa Lintasarta, Medialand International and Danawa Indonesia, then by the year of 2023 fully owned by Lintasarta and Kopkarla (Koperasi Karyawan Lintasarta), PT Lintas Media Danawa (LMD) has always been at the forefront of providing leading solutions in Managed Service, Application Solution and IT Outsourcing.

Services and Products

Application Solution

Managed Services & IT Outsourcing

eBesha Omnichannel CRM

Application Solution

Our application solution can help business by developing custom applications that meet your business needs and utilizing cutting-edge technology supported by experienced professionals in software development.

Some of our work includes network monitoring tools, document management & sales tracking, employee experience app, and many more.

eBesha Omnichannel CRM

LMD
Subsidiary of Lintasarta

eBesha Omnichannel CRM is a customer relationship management system for customer service, with omnichannel integration, that provides a streamlined experience to monitor and addressing all customer requests and complaints from many channels such as social media, email, telephone, or websit, in a single dashboard.

This allows for faster, more efficient, and measurable handling of customer complaints and inquiries.

Managed Service & IT Outsourcing

LMD
Subsidiary of Lintasarta

LMD's managed services offers complete management of the procurement and maintenance of your IT infrastructure, including servers, networks, firewalls, operating systems, and outsourced helpdesk services. This solution helps improve efficiency and reduce business costs.

With comprehensive support, companies can focus on developing their business without worrying about the maintenance of their IT infrastructure..
